This is a test paragraph.

We define domain on top near tikzpicture below:

Label like this below:

Center this picture:

See the coordinate system/addition:

Integral thing (dashed area):

Integral with shaded area:

Integral with shaded area, with figure:

Figure 1: This is Area under the curve

Integral with shaded area, with figure and centering:

Figure 2: This is Area under the curve

With polynomial kind :

Figure 3: Cubic Polynomial

With figure trial:

Figure 4: A cubic polynomial

Figure 5: $f(x) = (x + 3)(x - 1)(x - 2)^2$

Circle

Complex numbers marked on circle
